LAS VEGAS, NEVADA—Country Inn & Suites By Carlson, 245 St. Charles Way, York was recognized today for outstanding dedication to quality with Carlson’s Presidential Award. The award was presented at the 2008 Global Business Conference in Las Vegas to hotel general manager Melanie Myers. 2008 marks the second year in a row in which the Country Inn & Suites By Carlson in York, PA won this prestigious award. This year the York hotel was also named as one of the top hotels in terms of guest service and received the Country Inns & Suites By Carlson’s “Friends Hosting Friends Award”.

“For the second year in a row, our guests ranked us among the very best hotels in the Carlson system in terms of guest service and quality,” said Myers. Carlson also evaluates hotels on a regular basis to ensure that important quality measures and brand standards are in place.

“We are so proud of our York Team as this award celebrates a select group of hotels out of almost 500 Country Inn & Suites hotels who demonstrate an extreme passion for hospitality,” said John Delozier, Regional Vice President for PA based Hospitality Lodging Investors, owner of the 67 room property franchised under license agreement with Minnesota based Carlson Companies. “It is exciting to see this award presented to our property again this year. This staff continues to understand the importance of providing top quality accommodations in the York marketplace,” added Delozier.
